**INSULATED WATER BOTTLE**

**User's Manual**

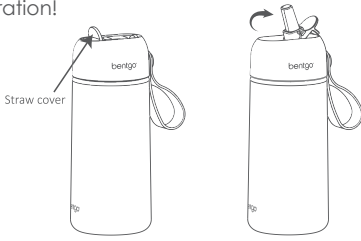

Thank you for purchasing the Bentgo Kids Stainless Steel Insulated Water Bottle! This safe and leak-proof water bottle is designed to keep water cool for hours. With a safe-sip straw that features an anti-choke bite valve — plus fun prints that match our Bentgo Kids lunch boxes, lunch bags, and backpacks — this water bottle is the perfect accessory to keep kids hydrated at home and on-the-go.

**Features**

- Premium 18/8 grade stainless steel with double-walled vacuum insulation
- Keeps drinks cool for 12 hours\*
- Leak-proof and sweat-proof design
- Safe-sip straw with anti-choke bite valve
- Dishwasher safe (top rack only)
- No BPA, PVC, phthalates, lead, or vinyl

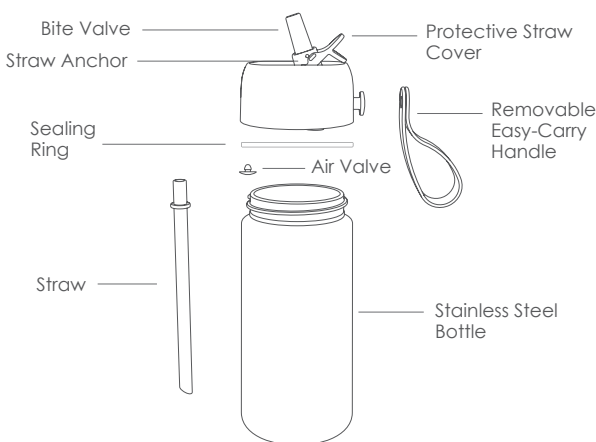

**Using Your Bentgo Kids Water Bottle**

1. Unscrew lid to add water. Do not overfill.
2. Reattach lid securely.
3. Lift the protective straw cover to access the bite valve.
4. Bite down on the valve and begin sipping.
5. When not drinking, push down on the protective straw cover to close.
6. Use the easy-carry handle to grab 'n go for all-day hydration!

**Disassembling the Water Bottle**

We have designed the Water Bottle to be taken apart for thorough cleaning. The bite valve, straw anchor, air valve, sealing ring, and straw are removable.

**Special Use & Care Instructions**

- Wash before initial use.
- Hand washing is recommended when deep cleaning small removable parts.
- Thoroughly dry after each wash.

**Warnings**

- Do not put in the microwave.
- Do not use with hot liquids.
- We do not recommend using with thick or pulpy juices.
- \*Time will vary depending on the original temperature.

**Replacement Parts**

Replacement straw sets are available at bentgo.com. Each set includes one bite valve and one straw. To keep your child's water bottle in top condition, we recommend purchasing a replacement straw set whenever you notice damage from biting, chewing, or excessive wear and tear that prevents easy sipping.
